Members of the public wishing to join remote meetings to speak about an agenda item need to contact the Clerk no later than 5pm on the day prior to the meeting in order to put arrangements in place. The Community Council will do its very best to accommodate the request, however due to variable digital resources it cannot guarantee successful outcomes. It is recommended that any matters that need to be raised are emailed to the Clerk or Councillors in advance of the meeting so that it can be discussed and a subsequent response provided.

Names of members of the public who do join this meeting and any matters they raise will be recorded in the public minutes of the Council. These are published on the webpage www.llangors.org.uk
