Chair Cllr S Bailey

Vice Chair: Cllr C Owen

Dear Resident

You may be aware that earlier this year your views were sought on a proposed development of the ex PGL site at Tan Troed. Many of you attended the public events in the Red Lion and The Llangors Community Centre.

A full planning application has now been submitted for the 'Proposed change of use of existing leisure and overnight camping site at Tan Troed, and removal of existing buildings, permanent pitches and hardstanding, to create a holiday lodge park comprising 48 lodges, with associated amenity buildings, infrastructure, and landscaping.'

Full details of the application which is referenced 23/22440/FUL are available on the Bannau Brycheiniog National Park Authority planning website (<https://bannau.wales/online-applications>).

Should you wish to comment on this application it will be best if you respond directly to the National Park Authority via their web site at <https://planningonline.beacons-mpa.gov.uk/onlineapplications> or by email at planning.enquiries@beacons-mpa.gov.uk or by post.

The meeting of the Llangors Community Council that will decide how it will respond to the National Park consultation will take place at 10.30am on Saturday 2nd December in the Llangors Youth and Community Centre.

You are welcome to attend this meeting and will be given an opportunity to express your views which will be taken into account when the Council decides how best to respond. There will not be any presentations and you will need to look at the information on the National Park website before attending.

Councillor Simon Bailey
Chair Llangors Community Council
