

# Glebe Biodiversity Project

The Community Council has received grant funding from Brecon Beacons Local Nature Partnership and the charity 'Stump Up For Trees' to increase biodiversity on the Glebe Community Field in Llanfihangel Talyllyn.

As well as leaving some areas of longer vegetation, we will also be planting a new hedge along the fence line.

**A community planting day is planned for**

**Saturday 15<sup>th</sup> February  
from 10am**

(Depending on weather and ground conditions)

Over 800 native hedging plants as well wildflowers to plant.

Please come along and help if you can.

All welcome. There will be planting suitable for children as well as adults. Bring your own spade / trowel if possible.
