Powys Climate and Nature Conference

A FREE event for
Powys Town & Community Councils
and Community Groups

Sat 7th December 10am–4pm Llandrindod Wells

Responding to feedback, this event follows on from the T&CC conference last June, to help Powys communities take positive climate and nature actions.

- Be part of a Powys Town & Community Council Network for climate and nature
- Hear about inspiring climate and nature projects In Powys, and how you could replicate them in your community
- Explore opportunities to collaborate with community groups already taking action
